Nestled on the west arm of beautiful Walloon Lake, Camp Daggett has served four generations of summer campers since its founding in 1925. The 118-acre camp is held in trust for the children of Charlevoix and Emmet Counties. Camp Daggett is operated as a private, independent, non-profit corporation.

The Camp Daggett Board of Trustees is composed of representatives of the service clubs in the two-county area, including: the Kiwanis Clubs of Charlevoix, Harbor Springs, Boyne City, and Petoskey; the Lions Clubs of Boyne City, East Jordan, Charlevoix, and Petoskey; the Rotary Clubs of Charlevoix, Boyne City, East Jordan, and Petoskey; and the Petoskey Zonta Club. The Board also includes life members and members-at-large from both Charlevoix and Emmet Counties.

Camp Daggett extends its thanks to the many individuals, businesses and other organizations that make Camp possible through their donations of time, labor, equipment, and money. Special thanks go to the local service clubs, the Char-Em United Way, the Youth Foundation of America, Charlevoix and Emmet Department of Health & Human Services (DHS), and to all those who so generously contribute to our year-round programs.

Donations to Camp Daggett are tax-deductible and help us maintain and improve our programs and facilities for children. We encourage all those who share the belief that children are our most precious resource to consider making a tax-deductible gift to Camp Daggett.

We are very excited about the 2019 summer camp season, and we look forward to providing your child with lifelong memories of a quality summer camp experience.

# WILDERNESS ADVENTURE CAMP

All four sessions will offer campers ages 13-15 an exciting opportunity to challenge themselves and learn new skills in a wilderness setting. Each will begin with a day of teambuilding and/or our challenge ropes course in order to increase the camper's self-confidence and improve their communication and teamwork skills. The group will then put their new found skills to the test as they head off on one of four fun and exciting wilderness adventures. Although the four trips vary in location and difficulty, each will focus on "Leave No Trace" backcountry ethics, basic survival skills, and the general history and ecology of the area.

## GOALS

1. Enhance self-confidence while building teamwork skills.
2. Learn responsible and safe backcountry travel, camping, and survival skills.
3. Exposure to relevant first aid techniques.
4. Foster an appreciation for the natural world and stewardship toward our environment.

## STAFF

Each trip will be led by a nationally certified wilderness first responder with water safety experience, while accompanied by another adult with a minimum of first aid and CPR training. Both staff members possess extensive backcountry trip leading experience.

## THE FULL VALUE AGREEMENT

Every camper at Camp Daggett is valuable and plays an important role in the success of the camp experience for all involved. We rely on each camper to be mindful of three basic concepts while visiting.

- 1. Work as a Team:** Consider the abilities of everyone in the group and include everyone in all decisions. Work Together!
- 2. Be Safe:** Always be aware of the physical and emotional safety of everyone at Camp. We expect campers and staff members to look out for the well-being of each other as well as give positive encouragement as much as possible. "Put Downs" are unproductive and many times leave lasting emotional scars.
- 3. Speak Up:** A safe and nurturing environment allows opportunities for individuals to share their fears, concerns or questions. We want all campers to know that their opinions matter, and they should feel free to share them at any time.

## DISCOVERY 2019 BACKPACKING PIGEON RIVER STATE FOREST

On this exciting backpacking expedition campers will live and learn the basics of wilderness travel and camping while exercising sound, noninvasive, minimum impact techniques. Our journey will take us through the heart of the Pigeon River Country State Forest along the Shingle Mill Pathway for a duration of four days and three nights. With over 100,000 acres to explore, the Pigeon River Country provides plenty to see from rolling hills, to meandering rivers, hardwood forests, pristine spring-fed lakes, and 100-foot-deep sinkholes. In addition to the countless natural features, this wilderness is home to numerous native species, including deer, bobcat, black bear, eagles and elk; if we are lucky we just may have the chance to view these amazing creatures along the way! Be prepared to hike, swim, explore and witness the beauty of a true "wild area" as we set out to discover all that the largest area of state forest land in Michigan's Lower Peninsula has to offer. (June 23rd-29th) \$555, \$700.

## CANOER 2019 PLATTE, BETSIE & CRYSTAL RIVERS

Are you looking for a true canoeing adventure? This summer we will be exploring some of the most scenic meandering waterways that Michigan has to offer. After setting up base camp in the beautiful Sleeping Bear Dunes State Park; we will be heading out for daily adventures on the Platte, Betsie and Crystal Rivers. Exploring the natural beauty of some of Michigan's most pristine rivers, we will build our paddling skills as we attempt varying levels of swift water and technical river ways. Expect 4 days and 3 nights of exploring the wilderness, spotting wildlife, relaxing on sand bars and some of the best beaches Michigan has to offer. Our days will end with picturesque sunsets and camaraderie around the campfire. It is sure to be a trip to remember, full of fun and adventure. (July 21th-27th) \$575, \$730.

## EXPLORER 2019 BACKPACKING PICTURED ROCKS

If you are looking for a more challenging wilderness excursion, the Explorer Trip is just for you! Our destination will be the Pictured Rocks National Lakeshore along the southern shore of Lake Superior for five days and four nights. While there, we will take in the undisturbed beauty of one of the largest freshwater lakes in the world and marvel at the immaculate limestone formations that serve as its shoreline. While there, we will enjoy some of the natural berries and other edibles in the region along with a dip in Lake Superior. Some prior wilderness experience and exposure to hiking and backpacking is preferred. Come see for yourself one of Nature's most interesting pieces of artwork! (August 4th - 10th) \$620, \$760.
