

CRITICAL NEEDS

Moving forward to 2022, Camp Daggett has three critical needs to be considered:

CAPITAL STEWARDSHIP.

We have a large capital investment in camp and maintaining it is expensive. Camp has always taken pride in our stewardship of our land and facilities and will need continued support for these efforts.

SUPPORTING AND DEVELOPING PROGRAMMING.

Camp is more than summer camp and is open year-round. Leadership and teambuilding programs are offered through the Adventure Center and family oriented programs are offered throughout the year. We are constantly exploring how we may offer more programming in both of these areas as well as improve on summer camp.

RETAINING AND HIRING QUALITY STAFF.

The quality of the programs Camp offers and the longevity of the Camp is due in a large part to the extraordinary summer camp and year-round staff that Camp has had over the years. It is important that as we move forward, we are able to attract and keep high quality and energetic staff that share the vision and passion for providing the best possible experiences for campers, families, community organizations and schools.

Camp Daggett looks to the future with great optimism and enthusiasm. We will continue to expand our programs to meet our mission and the continuing needs in our schools and communities. We invite you to join us with an unrestricted gift to support general operations. Funds raised will be used to meet immediate needs at Camp, which include keeping the facilities and grounds in good repair, improving operations and hiring dedicated staff. Thank you for your support.

WHAT We Offer

SUMMER CAMP

Camp Daggett offers eight one-week coed camping sessions starting in mid-June and ending in mid-August. Campers range in age from 7 through 14 years. They are housed in rustic cabins designed for 10 campers and two staff members. Close to 1,000 campers participate each year. In addition, Camp opens its doors to various groups starting in late August through May.

THE LODGE

Camp Daggett has evolved from tent camping with outhouses and no electricity to a beautiful 13,000 square foot lakefront cedar lodge and 12 camper cabins with two shower and restroom facilities. The lodge contains a commercial kitchen, heated dormitories for 60, restroom and showers, Camp offices and a rustic dining hall with a massive field stone fireplace and whole Northwest Pacific fir trusses supporting a 30-foot cathedral ceiling. Camp Daggett's lodge and facilities can be rented by individuals, organizations, clubs, corporations and more.

ADVENTURE CENTER

The 6,000 square foot indoor adventure center contains "universal" high and low ropes course elements for disabled and non-disabled individuals in a heated environment eliminating the obstacle of weather. We also offer low/high ropes challenge courses outside in the beautiful forested land by Walloon Lake.

The Adventure Center welcomes school groups, adult groups from businesses and organizations, and also offers Leadership Programs for both schools and corporations.
