### **Camp Daggett Gender Identification Policy**

Camp Daggett prohibits discrimination against or harassment of any person in any of its programs or activities on the basis of sex, gender identity, gender expression, and sexual orientation. Summer camps must ensure that they do not discriminate against individuals (including youth campers, adult volunteers, and staff) on any of these bases.

While this policy is not new, the Camp Daggett Board of Trustees are seeking guidance each year on how to update and implement this policy.

Camp Daggett staff will address all campers by the name the camper chooses.

Cabin assignments will be made based on the camper's sex assigned at birth. (as recorded on their birth certificate).

Accommodations will be made for private bathroom, shower and changing areas for those requesting such accommodations.
