CASE SUMMARY

OUR VISION:

- In 2025, Camp Daggett will have been in existence for 100 years. Our vision is to establish an Endowment Fund to assure that Camp Daggett will exist for another 100 years by maintaining the facilities, grounds and quality programming for generations to come.

HISTORY:

- Camp Daggett has served generations of summer campers since its inception in 1925. Having endured the Great Depression and the Second World War, Camp's longevity stems from superior staffing, a meaningful motto, a dedicated Board of Trustees, and facilities that have evolved to meet the changing needs of the campers and communities we serve.
- Walter J. MacMillan, Petoskey resident and teacher, founded Camp Daggett in 1925. The daughter of Henry R. Daggett, Harriet S. Harper, in the fall of 1924, donated the 43-acre parcel of land to be used as a summer camp for children. According to Mrs. Harper, her father believed, "...the children in a community are its richest assets, and its future depends upon the influencing of their lives for good." It is the duty of Camp Daggett's Board of Trustees to implement the sentiment embodied in Henry R. Daggett's beliefs.

THE FACTS:

- Since its inception, Camp Daggett has provided summer camp experiences for thousands of children. Some families have had multiple generations attend Camp Daggett.
- With the addition of year-round programming through the Camp Daggett Adventure Education Center, Camp Daggett has provided programming for thousands more children, youth and families both onsite and in area schools.
